**1. Name of the Activity : Consanguine marriage awareness programme**

**2. Date : 10/09/2024**

**3. Number of Students participated: 64**

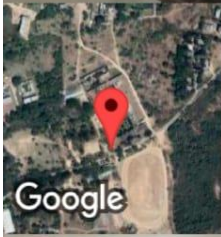

**4. Brief Report:** In India, marriages are considered as the most important ritual and social institution, which establish a strong relationship between two families. Parents only consider the benefits of consanguineous marriages but they neglect the consequences. Women empowerment cell of PVKN Government college (A) has conducted awareness programme by collaborating

With Apollo medical college students to educate adolescents regarding consanguineous marriage and its consequences and also to assess their knowledge before and after the intervention. Total 64 students participated in the study.
