2024-25

**Report on Orientation Program: Usage of Fees app to the students by
Computer Application student**

Date: 15.09.2024

Participants: I B.A Students of PVKN Govt College (A), Chittoor

Objective

1. To familiarize junior students with the Fees App.
2. To demonstrate how to use the app for fee payments.
3. To address any queries or concerns.

Senior Student Roles

1. Presenters: Explain app features and demonstrate usage.

2. Assistants: Help junior students during hands-on session.
3. Moderators: Facilitate Q&A session.

Junior Student Takeaways

1. Understanding of Fees App usage.
2. Confidence in making fee payments.
3. Knowledge of app's features and benefits.

On **21.10.2024**, an orientation program was organized at PVKN Govt College (A), Chittoor, for the I B. A student to provide them with essential skills in fees app through mobile phone. The session aimed to empower the students with the necessary technical knowledge to enhance their technical skill on fees app.

Conclusion

The "Usage of Fees App" orientation program successfully achieved its objectives, empowering junior students with the knowledge and skills to effectively utilize the app for fee payments. Senior students demonstrated exceptional leadership and technical expertise, providing comprehensive guidance and support.
