Awareness programme on Go Green with Mud Ganesha

NSS Unit of our College had initiated and organized an Environmental friendly rally at Greampet and Durganagar colony areas of Chittoor before Lord Ganesha festival to use only unpainted clay idols or natural dyes painted idols for pooja instead of plaster of paris idols to protect our environment. This rally had initiated environmental concern among volunteers and public in Girimspet and Durganagar colony areas of Chittoor town.

Plantation of Thulasi plants in the campus on 08-11-2018

Thulasi can address physical, chemical, metabolic and physiological stress through a unique combination of pharmacological actions, releases more oxygen, have many health promoting properties. Exposure to the Basil plant and eating few Basil leaves daily will reduce the stress in students and staff.
