BLOG VISITS

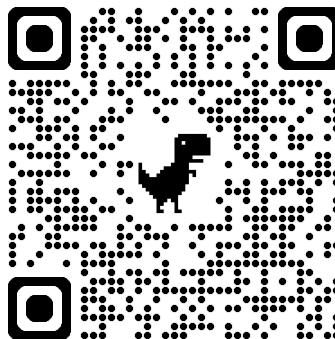

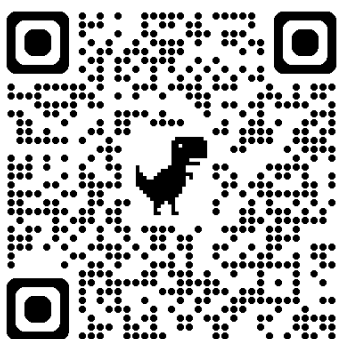

Objective:

To make learning more interactive and engaging through the usage of ICT tools in the teaching-learning process.

Name of the lecturer: Dr P. Bhanuprakash

Name of the Blog: TEACHING CHEMISTRY-MY PASSION

Link to the Blog: <https://bhanuprakashchemistry.blogspot.com>

(QR Codes for blog)

ICT Tool Used:

Sharing Learning Materials through blog

ICT Tool Implementation:

- Additional resources like lecture notes/ e-content, practical handout, course-related materials, question bank, course outcomes, syllabus, blueprint of question paper, c are shared through the blog to complement classroom learning.
- Circulars and notifications of competitive examinations are also shared through the blog to the students.

Blog Visits

Department of Computer Science

2020-21

- For the Academic Year 2020-21, Department of Computer Science faculty conducted online classes and shared PPTs and materials through Faculty Blogs and Google Class room.
- Faculty used Google class room which is an LMS tool for organizing Teaching and Learning process. Conducted assessments and shared e content to students.
